Township Register

FIFTY-FIVE YEARS OLD | THE TOWNSHIP REGISTER. NILES, CALIFORNIA | THURSDAY, OCTOBER 7, 1943 | NUMBER 41

WITH THE ARMED FORCES

FATHER PASSES AWAY

NEWARK — Lieut. CLARENCE MARTIN stationed at Fort Dix, New Jersey, arrived here Saturday to spend a short furlough with his father who is seriously ill. Three months ago Lieut. Martin was called to this coast on account of the death of his brother Joseph. Between the two trips to the West he spent a month in Northern Africa where he had been sent on police duty. His father passed away and was buried Wednesday.

— V —

LIEUT. BIMEMILLER

NEWARK — Few California boys have made a more rapid advance in the service than JACK BIMEMILLER, who enlisted but a few months ago. After October 1 it will be appropriate to address him as Lieut. Jack A. Bimemiller, for on that day he graduated from Fort Sumner Army Air Force Pilot School, New Mexico, with the rank of lieutenant.

— V —

NILES NAVY COUPLE RETURN TO HOME

Lieut. and Mrs. JACK RATHBONE have returned to Southern Alameda County, where Lieutenant Rathbone is attached to Camp Parks at Pleasanton and Mrs. Rathbone (Miss Leona Solon) is to teach at the Niles Grammar School. Mrs. Rathbone taught here for three years before her marriage. Her husband has been stationed previously in Southern California.

— V —

B. M. 2/c ROBERT L. JACKSON, son of Mrs. Beatrice Fournier of Niles, who has served at a Naval Air Station at Kodiak, Alaska for about a year has been transferred to a new assignment, and is now stationed at Dutch Harbor Alaska.

Pvt. MERVIN R. SANTOS of Mission San Jose has finished his training with the Field Artillery at Camp Swift, Texas and his organization has moved to Fort Sill, Oklahoma a card sent this newspaper states.

Pfc. JOSEPH F. MARTIN of Niles has been assigned to training with a bombing squadron at Smoky Hill Air Base near Salina, Kansas.

Sgt. CHARLES MYRICK, son of Mr. and Mrs. C. N. Myrick of Centerville is fighting in Italy with a Field Artillery battalion. His folks last heard from him when his outfit invaded Sicily. He gets his mail through APO 3, Postmaster, New York City.

Pvt. WILLIS MYRICK of Centerville, who joined the National Guard before war was declared has gone overseas with an Air Borne Engineer Battalion and now gets his mail care APO 472, Postmaster, New York City.

FRANK WILLIAM "Billy" KATZER, who has been stationed at Pearl Harbor for the past two years is now a first class yeoman. Bill, who enjoys all of the home news in the Township Register was formerly employed at the Central Bank in Irvington.

SPEEDER LOSES GAS RATION FOR 60 DAYS

Joseph Baisa, Route 1, Box 1, Irvington, lost his gas ration book for 60 days after the Washington Township Rationing Board was notified of his second speeding offense.

Baisa's C book was held up and he was given rations for one week to give him an opportunity to arrange a ride to his job at a Bay section shipyard. He was charged with traveling 50 miles an hour.

Also penalized were Thomas R. Nickel of Niles, who lost his A book and had six coupons deducted and Herbert Holm of Niles, who lost his C book and sacrificed one stamp. Holm, Navy mechanic said his book was taken from his coat in a check room and Nickel said his briefcase left in his car had been pilfered.

WOUNDED DURING LANDING: Private Peter Demmie of San Jose, Cal., admires his Purple Heart medal. Wounded by enemy air and artillery fire during landing at Fedala, Pvt. Demmie's life was saved by Red Cross plasma transfusions.

HOME DESTROYED

DECOTO — When a private home caught fire here Monday forenoon and endangered neighboring property the Decoto Fire department called on the Niles company to help in controlling the flames. By the time the Niles truck arrived the house was beyond saving. It had been newly renovated and contained much new furniture, all of which was destroyed. The house belonged to Joe Juarez and was situated at Seventh and G streets. Chief Roland Bendel and the Decoto Fire department confined the fire to the former Juarez home here. An automobile was also destroyed.

SERVICE TESTS TO BE HELD AT WASHINGTON HI

CENTERVILLE — The second Qualifying Test for the Army Specialized Training Program and the Navy College Program V-12 which will be given throughout the country on Tuesday, November 9, will be administered at the Washington Union High School Mr. J. V. Goold District Superintendent announced today. A pamphlet of general information which contains an admission-identification form may be obtained at Washington High School. This form properly filled out will admit to the test students between the ages of 17 and 21 inclusive who are recent high school graduates or who will be graduated by March 1, 1944. Intent to take the test should be made known immediately to Jack D. Rees, Vice Principal in order that the necessary test supplies may be ordered.

The same examination will be taken by both Army and Navy candidates. The examination is designed to test the aptitude and general knowledge required for the program of college training and all qualified students are urged to take the test. At the time of the test each candidate will be given a choice of service preference, but taking the test does not obligate the candidate to enlist in the service.

The Army Specialized Training Program and the Navy College Program enable students to continue academic training at government expense following induction into the armed services. Successful completion of the prescribed courses may, following further officer training, lead to a commission in the Army or the Navy.

Those selected for the Army will after further screening and basic military training, be sent to college. Students chosen for the Navy Program, after selection by the Office of Naval Officer Procurement, will be detailed directly to college. Students who attend college under either of the programs will be under military discipline on active duty in uniform with pay. All expenses, including tuition food, housing, books and uniforms will be paid by the Army or the Navy.

MYSTERY SHROUDS DEATH OF HIGH SCHOOL TEACHER

CENTERVILLE — Miss Loreva Langeberg, 29 a science teacher at Washington Union High School at Centerville, died here Sunday a few hours after she was found unconscious in her apartment at Centerville, the victom possibly of a cerebral hemorrhage or an overdose of sleeping tablets.

Neighbors heard her moaning in her rooms and called Dr. George Holeman, a Centerville physician. He ordered her taken to an Oakland hospital and called in her personal physician, Dr. Theodore Weller of Oakland.

Dr. Holeman said it was impossible aet once to determine the cause of death. The body was turned over to the Alameda County coroner pending an inquest.

Miss Langeberg taught biology, chemistry and mathematics at the Centerville school and had been on the faculty there since September, 1941. She was a graduate of the University of South Dakota and took graduate work at the University of California, where she received a master's degree in 1941.

Her parents live in South Dakota.

SAVE YOUR DEER HIDES

All deer hunters are asked to turn their deer hides over to any forest ranger or game warden, reports the Bakersfield Office of the National Automobile Club. These skins are badly needed by the Army and Navy for making clothing and gloves for aviators, seamen, and men stationed in northern areas.

ARE YOUR CHRISTMAS GIFTS READY for mailing to men overseas? Above, wives of men who are serving abroad are rushing the packing of more than eight tons of gifts going from the Bank of America to over 3000 employees now with the armed forces. Each package contains a selection of pocket-size books, playing cards, razor blades, chewing gum, barracks slippers, a sturdy knife, a specially compiled volume of news and pictures of "home happenings" since Pearl Harbor, and a greeting card from A. P. Giannini, founder of the bank.

Packages destined overseas must be mailed before Oct. 15 for Army personnel, and before Nov. 1 for Navy, Coast Guard and Marine Personnel.

Stricken . .

CENTERVILLE — Residents of the Township were shocked to learn that on Sunday one of our most prominent citizens, Frank T. Dusterberry had suffered such a serious stroke of paralysis that he has been in a coma ever since.

He was taken to the San Jose Hospital where his wife is at his

bedside almost continually. He has not been able to speak since he was stricken and so far as can be learned is unable to eat.

Mr. Dusterberry is chairman of the Washington Township Chapter, American Red Cross, chairman of the Township OCD Coordinating Council and is prominent in club, fraternal and banking circles through this district.

WASHINGTON HIGH DOES FINE JOB OF BOND SELLING

CENTERVILLE — Washington Union High School has more than doubled its self-set goal for war bond sales and has reported sale of $10 029 in cash returns for bonds.

Vice-Principal Jack Rees, who has been directing the campaign, says that although most of the bonds bought or sold by the 230 students participating in the campaign were of the $18.75 variety, one of $375 and one of $750 value were sold.

L. R. Burdick, Washington Township chairman, says the campaign has already netted three times the amount sold in the second war loan drive.

NILES P.-T. A. TO MEET OCTOBER 12

The first fall meeting of the Niles P.-T. A. for the year will be held on Tuesday afternoon, October 12 at 2:00 P. M. in the School Auditorium. Mrs. O. W. Ebright, Public Health Nurse of Washington Township will speak on "School Public Health Program." The other speaker will be Mrs. Marietta Holeman Farm Home Demonstrator who will speak on "Nutrition and Rationing." The public is asked to attend The Eighth grade Mothers will act as hostesses under the chairmanship of Mrs. Hillard Hale and Mrs. George Karel.

Mr. and Mr. E. E. Dias left Friday for a brief vacation in the Sierras.

HIGH SCHOOL GRADUATES AID IN WAR EFFORT

CENTERVILLE — Washington Union High School graduates of 1943 are scattering to various institutions as Fall fartime speed-up programs begin. Many are in defense work and of the 46 boys graduating in June, 31, are in the armed services or awaiting calls in the immediate future.

Nine have secured transcripts for San Jose State College which opened Monday. They are Beverly Adams. Ebba Rae Benbow, Eileen Wilson, Betty Corey, Richard Dutra, Rudolph Monte, Maxine Mau, Mabel Enos and Juanita Galvin. At the San Francisco Women's College are Marjorie Jason, Marjorie Brunelli, Eleanor Enos and Betty Bettencourt. Elaine Lewis is going to Notre Dame in Oakland and Doris Nunes to Heald's Business College in San Jose.

Jean Wauhab, Helen Griffin and Geraldine Bettencourt completed a war training engineering drawing course at the University of California this Summer and are working at the Richmond Shipyards. Inezz Fong is at the Westvaco Chlorine Products Company, at Newark, and Avis Alberg and Dorothy Franklin in defense work in San Leandro. Loretta Lewis is working at the Selective Service board at Niles and Gloria Furtado at the Wasington Township Rationing Board. Reuben Ramos is at the Hendy Iron Works at Sunnyvale and Richard Olive is at the Westvaco mine unit. Richard Jelleff is in the Navy-V-12 class at the Montana School of Mines. Four of the '43 class are married Ruth Justus, Ruth Horn, Francis Hilton and Yvonne Soares.

VICTRIANO MARTIN DIES IN SAN JOSE

NEWARK — Funeral services were held Wednesday morning for Victriano Martin, 72, resident here for 55 years. Services at the Chapel of the Palms at 9 o'clock were followed with high mass at St. Edward's Church and intermente at the Holy Ghost Cemetery.

He died at the San Jose Hospital after an illness of several months. A native of the Azores, he was the father of Mrs. Mary Maria of Oakland. Louis of Richmond, Bert, Tony, Olive Nevis and Helen Maciel of Newark, Lieut. Clarence Martin and Corp. John D. Martin; the brother of Minnie Rose of Newark, Mary Garcia of Warm Springs, Joaquin Martin of Centerville and Antone Martin of Chico.

DECOTO SCHOOL OPENED MONDAY

DECOTO — The Decoto Grammar School began classes Monday. The school is the 10th of 11 in Washington Township to open for the Fall semester. The Mission San Jose School will open Monday or a week later.

Gus Robertson, new principal at Irvington, enrolled 203 pupils on the opening day last week, approximately the same as last year's enrollment.

A son weighing 8 lbs. 15 ounces, named Frank was born on September 25 in the Hayward Hospital to the wife of John Miramontes of Decoto.

COURT OF HONOR

The Boy Scout troop of Washington Township will hold a Court of Honor this Friday evening, beginning at 7:45 o'clock in the auditorium at the Niles Elementary School, according to Committeeman L. L. Lewis. The Niles Troop with Scoutmaster Fred Duffie in charge will put on a tenderfoot investiture. The public is invited to attend.

TOWNSHIP WAR CHEST PLANS ARE ORGANIZED

Every community in California during October and November will conduct its War Chest campaign in cooperation with the National War Fund representing 17 major war relief agencies, USO and other services for our armed forces. The California War Chest represents the National War Fund in this state, and is the coordinating agency asssting local committees in the tremendous job of raising a total of $18,000,000 as our share in this three-front drive, which includes funds needed for home front activities as well as funds for the maintenance of USO War Prisoners Aid, United Seamen's Service, and the 14 agencies serving the needs of our valient allies.

An organization meeting for the Washington Township drive was held Wednesday night of last week in the justice courtroom at Centerville with Judge Allen G. Norris serving as chairman.

Don Leidig of Hayward, District 4 chairman, acquainted those present with the nature of the undertaking and the plan of operation. The drive will include taking subscriptions for domestic activities such as Boy Scouts and Salvation Army, as well as for foreign relief groups.

Scout Executive Ben Lamkin of Hayward was also present representing Boy Scout interests of Southern Alameda County. Township leaders present included A. J. Petsche of Niles, Tom Maloney and Loren Marriott of Centerville, Allan Hirsch and Carl Christensen of Irvington.

The campaign starts October 18 and ends November 1.

President N. R. Powley of The Pacific Telephone and Telegraph Company, announced today that the Board of Directors has approved an $85,000 contribution to the War Chest Fund as well as continuance of the payment to the Community Chest as heretofore made in amount approximately $50,000 therefore, the total contribution for the War Front and the Home Front amounts to $135,000.

Postmaster Edward Enos at Niles has accepted the Township Chairmanship of the drive and he called a meeting Wednesday night of this week at the Niles Justice Court of newly appointed town chairman to hear Mr. Leidig and Al Fraga, Southern Alameda County chairmen lay out the work and discuss the campaign which begins on Monday, October 18.

Enos has asked A. J. Petsche of Niles to serve as chairman of advance gifts from larger organizations throughout the Township. Town chairman for the drive appointed so far include George Smith, Decoto; Jack Rees Centerville and E. D. Meeker, Niles.

RATION DATA

Sugar: Stamp No. 14 good for five pounds through October 31. Stamps Nos. 15 and 16 good for five pounds each for home canning through October 31.

Meat, Butter etc. Brown stamps C and D, Book 3, valid through October 30.

Canned Fruits and vegetables: Blue Stamps U, V, W. Book 2 valid through October 20; Blue X, Y, Z good through November 20.

Shoes: Stamp 18, Book 1, good until used; "plane" stamp 1, Book 3, good November 1 to May 1, 1944.

Tire inspections: B tires must be inspected by October 31; C tires by November 30; A tires, by next March 31.

SPORTSMEN, ATTENTION

You are reminded by the Touring Department of the National Automobile Club, that if you hold an "A" gasoline ration only, you may go any place the ration will take you. Motorists with "B" and "C" rations are limited to 90 miles of convenient driving each month. Those using pickups and trucks and operating under "T" rations are reminded they are not permitted any convenient or pleasure driving regardless of the general use of the vehicle.

Township Raises 488,209 War $$

L. R. Burdick of Newark, Washington Township Chairman for the Third War Bond Campaign sends this office the following communication for publication:

The final total for the Third War Loan Drive in Washington Township is $488,208.50. This represents 87% of the $560,000.00 quota given us by the State Administrator.

However, these quotas were set all over the United States with the idea in mind that the farmer would have harvested his crops and his profits would be available to purchase bonds in this drive.

In Washington Township, we all know, this drive was a little too early for the farmers, therefore, the farmer quota fell behind the amount between the quota allowed us and the actual purchases. Another bond drive is now being made by the Future Farmers of America, starting October 6 and finishing on Future Farmers Day on October 13 and it is expected by that time that the income of the farmers in this locality will have been such that the difference in the quotas will be made up. In Washington Township, the Future Farmers Drive will be handled by the Agricultural Department of Washington Union Hgh School.

However, this figure of $488,208.50 represents over three and one half times the amount of bonds purchased in the April drive, so therefore I feel that Washington Township can well be proud of this splendid record. I attribute the success of this drive to the following Vice Chairmen and their helpers in each locality:

Jack Blacow, Alvarado, Carl Christensen, Irvington, Louis Amaral Newark, George Smith, Decoto, Mrs. Lois Justus, Mission San Jose, Robert Blacow, Niles, Loren Marriott, Centerville, Joseph Pashote, Newark, Joe Brown, Warm Springs.

I want to thank these men publicly for the splendid work that they have done in this Third War Loan Drive. Figures prove that they have used every effort to make our drive a success and we think it was.

RATION BOOK 4 REGISTRATION OCTOBER 20 - 23

The new Ration Book No. 4 will be distributed at a nationwide schoolhouse registration from October 20 to 23, and the books will be given out at the same time the registration is made. This method of handling registration and distribution at the same time was decided upon by the Office of Price Administration to get the books into the hands of consumers so as to begin using the books in November.

The new book will be used in conjunction with the No. 3 book which recently came into use, and will be supplemented by glass or plastic tokens about the first of the year. The tokens will be red and blue, the blue for canned goods and the red for meats and fats.

The system, as now planned, seems to be that when a certain stamp becomes good on a certain date for a certain number of red or blue points—probably 16—you turn in the stamp at the store and get tokens. With the use of the tokens the No. 4 book will last a long time. OPA says it may be the last one, and that it can last for a period of three years, as it will contain 80 pages divided into 384 point and unit stamps.

Coming Events

FRIDAY

1:30 p. m. Sanford Circle meets in Niles Congregational Church Guildrooms.

7:45 p. m. Washington Township Boy Scout Court of Honor in Niles Grammar school auditorium.

SATURDAY

Morning: Corpus Christi Church food sale at Murphy's store, Niles.

MONDAY

8:30 p. m. Public card party at Corpus Christi Parish house, Niles. Public invited.

TUESDAY

2 p. m. Niles PTA meets at Grammar School.

WEDNESDAY

9:20 a. m. Blood Donor day at Memorial hall, Niles. (Brother, can you spare a pint?)

THURSDAY

6:30 p. m. Annual potluck dinner and congregational meeting at Niles Congregational Church Guilr rooms.

DINNER HONORS TEACHERS

CENTERVILLE — The annual dinner and initiation of new teachers at Washington Union High School was held at the school last Thursday.

New members of the faculty are Frances Goich, English and Spanish; Leola Hyde, business and social studies; Yvonne Whitehurst, art, and Ross Brown, agriculture. Principal J. V. Goold was master of ceremonies.

IRVINGTON P.-T. A. TO OPEN YEAR'S PROGRAM

IRVINGTON — The Irvington P.-T. A. will open its year's program with a meeting Thursday night, at 8 o'clock at the school. Mrs. Edna Ebright, health nurse, will be the speaker and the eighth-grade mothers headed by Mrs. Alfred Peixotto will serve refreshments. Mrs. Walter Connolly is president.

BETROTHAL IS TOLD BY SHIRLEY WALLACE

The engagement of Miss Shirley Wallace of San Jose, daughter of Gordon Wallace, nurseryman and Mrs. Wallace, formerly of Niles to Robert Graham was announced this week.

Miss Wallace attended the College of the Pacific and San Jose State, her fiance being a graduate of the latter. He is now with the Naval Reserves at the University of California. No date has been set for the wedding.

Attending the announcement party held at the home of Mr. and Mrs. Ray Hartman in San Jose was Miss Julianne MacDonald of Niles.

MANAGER RETURNS

IRVINGTON — Robert Henley has returned from a several weeks' vacation spent during the hot spell in Stockton and Sonora and has resumed management of the Irvington Theatre here. The theatre is showing a thrilling aerial war picture from Sunday through next Wednesday, and it's in technicolor.

NILES LOCALS

The Decoto Fire Department was called out to extinguish a fire in the hills behind the Masonic Home last Sunday. About six acres of pasture land was burned.

A daughter named Carol Dolores was born on September 19 in the Hayward Hospital to the wife of Frank Matthews Andrade of the Whipple Road, Alvarado. The little miss weighed 7 pounds, 13½ ounces.

Mrs. John Galvin, Mrs. J. J. Alberg and Mrs. T. H. Elliott were among the members of the Washington Township Country Club who served as hostesses at the U. S. O. dance held Saturday evening in Hayward.

Mrs. Lillian MacRae of San Francisco was a Niles visitor on Sunday.

The ladies of the Corpus Christi Church at Niles are holding a food sale this Saturday morning at Murphy's store in Niles, and a public card party at the Parish house next Monday evening at 8:30 o'clock. The public is asked to support both events.

Mr. and Mrs. George Sladek of Lincoln are spending a few days visiting friends in Niles.

IRVINGTON

Miss Agnes Raymond
Correspondent

The St. Jude, Y. L. I. of Irvington will have a cake booth at the Bazaar in Mission San Jose on November 12 and 13. Ann Perry will act as chairman and Mena Silva co-chairman.

Some of the members of St. Jude Institute, Y. L. I. are getting Christmas packages ready for the servicemen who have no parents. Packages must be ready to mail by October 15. Mae Avilla is the chairman of this committee.

Ann Perry, Institute deputy of the Hanna Institute of San Leandro and Laura Mayer, institute deputy of St. Jude Institute attended a District meeting held at Livermore on Thursday evening. Irene Armstrong of Altamont is the District Deputy of District No. 3.

Doris Barskey and Frank O'Doole of Alameda spent last week end with the Raymond family.

FDR says:
Curtail spending. Put your savings into war bonds every payday.

NEWARK CADET TELLS ABOUT HIS FLIGHT TRAINING

The following letter was received by Mrs. A. E. Hempelman of Newark from her brother Jack, training with the Army Air Service at Santa Ana, California. He was due to be commissioned October 1.

Sept. 19, 1943

Dear Sis:-

A lot has happened since I last wrote you. I'll start at the beginning.

The week before last, thirty-six of us were notified that we were going to Santa Ana for the low pressure test. We really had a swell time, alright. There were about three cadets to each ship except in our case. One other cadet flew with me and we had an enlisted man along as a passenger. We left the field here at 9:30 a. m. on Saturday the 11th. We flew a loose formation all of the way with a Lt. in charge of us in the lead ship. We landed at Deming, New Mexico to eat and refuel the ships. Our next stop was Phoenix, Ariz. where we refueled again. From here, we flew right on to the field next to the S. A. A. A. B. Our time in the air was only 7½ hours but due to the delay in refueling, etc. we didn't arrive at Santa Ana until 9 p. m. They took us over to the Air Base and after a good shower and some clean clothes, we received a pass until 10 p. m. Sunday night. Most of us then went into L. A.

Monday morning at about 11 o'clock we went into the chamber for our high altitude test. This one was a little different from the first one I had while at Santa Ana. First of all, they took us up to 18,000 feet and we remained there without oxygen for fifteen minutes. Two of our boys almost passed out at this point, but it didn't bother the rest of us. Then we started using oxygen and they then sent us up to 38,000 where we remained for one hour. A few of the fellows got the "bends" and one of them was in such pain, he had to be taken out. I guess that I was lucky or something, because it didn't bother me at all.

After this we had open post from four in the afternoon until 8 a. m. Tuesday morning. I almost forgot! Whom do you think I saw while at Santa Ana? Dex Witherly is there in classification. I talked to him for about an hour. Just think he has all this ahead of him. Pre-flight, primary, basic and advanced.

We took off from Santa Ana at 10:30 Tuesday morning and flew to Phoenix. We stayed overnight there in the best hotel in Phoenix. John Howard Payne was staying at this hotel too. He is a civilian flying instructor at Phoenix. We started back for home late Wednesday morning and arrived here about 5 in the afternoon.

I thought we would get some rest but my squadron was scheduled to fly that night so off I went on a nite cross country to Abilene, Texas. A couple of fellows got lost and landed at other fields. We had to wait several hours at Abilene for them and when they did get in, we were all waiting around to give them the "raspberry" Some fun!

Friday night we flew to El Paso, Texas and that was quite a lot of fun. I have but two more hours of night local time to put in, then I will be all finished. We graduate a week from next Friday, Oct. 1 and Bob wants me to stay at his place in L. A. so I will probably start home from L. A. Monday morning.

I didn't get my watch yet but I am definitely going to buy while on furlough. They didn't have any watches at Santa Ana and I got into L. A. too late to buy one there.

This is just about all for now Sis, because I haven't had any time to write letters in the past couple of weeks, therefore, I have to catch up.

Love to all,
Jack

SPEAKING OF ORCHIDS!

Mr. Walter Waynflete
c/o Township Register
Niles, California.

Dear Walter:

I cannot let the Third War Loan Drive come to a close without expressing my deep appreciation to you and your paper for the splendid publicity you have given this drive in the past month. I have always felt that our local newspapers have more influence in building up morale and putting over any local projects in the locality than all the larger newspapers combined.

As to yourself, you have the respect of the whole township and the publicity you gave our drive naturally was taken more to heart than if it had been just a newspaper item.

Please consider your part in this drive as one of the contributng factors in making it as successful as it was. My Vice Chairmen join me in this expression of our appreciation.

L. R. BURDICK, Chairman
Washington Township War Finance Committee

Prices in this ad are effective Tuesday through Saturday, October 5 to 9, inclusive, in San Francisco, Oakland, Alameda, Berkeley, Richmond, Hayward and other cities and towns in San Mateo, Alameda and Contra Costa Counties unless changes are required as a result of new regulations from the Office of Price Administration.

Julia says-
Coffee can be entertaining

IT'S ONE THING to brew a pot of coffee and it's another to use coffee as the principal theme in feeding and entertaining a group of people. But with just the slightest amount of ingenuity you can do that very thing with brilliant success.

I'm thinking of such problems as: taking care of a group of Red Cross workers, or the war-working woman who wants to entertain some friends of a Sunday morning, or an informal midday meeting of P. T. A. members.

Recently I took another trip down into the heart of that hospitable state, Texas. And I had the warm pleasure of being a guest at just such a "morning coffee party" which started about eleven-thirty.

The whole affair was on the order of a "brunch," so that late workers could consider it a breakfast and early risers would make it a lunch.

When I investigated the details, later (my curiosity is never satisfied) I discovered that the whole thing had been contrived simply and in a short time. The menu was as follows:

Baked Chicken Hash with Ripe Olive Sauce
Broiled Tomato Halves
Hot Corn Muffins Currant Jelly
Old-Fashioned Gingerbread and Coffee

The gingerbread tasted so good with the coffee I asked my hostess for the recipe. Here it is:

OLD-FASHIONED GINGERBREAD

2½ cups enriched flour	⅛ tsp. cloves
2 tsps. baking powder	½ cup shortening
½ tsp. soda	½ cup sugar
½ tsp. salt	2 eggs
1 tsp. ginger	1 cup molasses
1 tsp. cinnamon	1 cup boiling water

Sift flour, measure; sift again with baking powder, soda, salt and spices. Cream shortening; gradually add sugar, creaming until light and fluffy. Add eggs, one at a time, beating well after each addition. Alternately add molasses and flour mixture, beating until smooth. Add boiling water and stir until combined. Bake in well-greased drip pan (9½x12x2) in moderate oven (350° F), 45 minutes or until done. Serve warm or cold, plain, with cheese topping, wedges of cheese or warm with a fruit sauce. Serves 12.

Of course there are "evening coffee affairs" when guests come *after* they have had their dinner—all but dessert—and you serve coffee and any dessert you want.

Julia Lee Wright Director
Safeway Homemakers' Bureau

Only Fresh Coffee has that exciting, rich flavor

Real coffee-lovers know that to have that pure, rich flavor and hearty vigor—coffee must be absolutely fresh. COLLEGE STAMPS FOR TOMMY

I BELIEVE YOUR JIMMY'S GROWN EVEN FASTER THAN TOMMY, THIS PAST YEAR.
WELL, MARTHA, HE'S BEEN GROWING SO FAST ITS MADE US START THINKING PRETTY SERIOUSLY ABOUT HIS FUTURE. YOU KNOW, IN JUST ABOUT TEN YEARS, HE'LL BE GETTING OUT OF HIGH SCHOOL..
...AND THEN WE'LL HAVE THE EXPENSE OF SENDING HIM TO COLLEGE.
YES, WE'VE BEEN THINKING THE SAME THING ABOUT TOMMY. BUT WHAT CAN WE DO ABOUT IT NOW, JANE ?
WE SUDDENLY REALIZED THAT WAR BONDS COME DUE EXACTLY TEN YEARS FROM THE MONTH THEY'RE BOUGHT. LAST MONTH WE SCRAPED THE BOTTOM OF THE BARREL, AND BOUGHT SOME EXTRA BONDS DURING THE THIRD WAR LOAN DRIVE. AND NOW I HAVE A STEADY PROGRAM FOR BUILDING UP THIS COLLEGE FUND: WHENEVER I SHOP, I TAKE MY CHANGE IN WAR STAMPS.
SAY, THAT COULD AMOUNT TO A GOOD DEAL EVERY MONTH, AND YOU'RE HELPING THE WAR EFFORT AT THE SAME TIME.. WHY NOT ME TOO ?
NEXT DAY
...AND PLEASE LET ME HAVE THE CHANGE IN WAR STAMPS. YOU KNOW, I REALLY THINK OF THEM AS COLLEGE STAMPS FOR TOMMY !

War Stamps! The Finest Merchandise Sold at Safeway Stores!

Whether you think of them as War Stamps, College Stamps, Victory Stamps, or the finest investment in the world, buy more of them regularly! (And when your food comes from Safeway, you have more money left for Stamps).

OMINOUSLY QUIET

It's been more than a year since the Japs' last offensive action—in June of 1942 they attempted an invasion of Hawaii or our West Coast and their 70 ship convoy, guarded by 20 warships was decisively broken up and turned back in the historic Battle of Midway.

They have snce had 15 months to train and equip recruits from the Dutch East Indies, Borneo, Celebes, etc. Surely our wily enemy has not lost his sting, nor is he content to gloat over his conquests and wait for us to come and get him?

It is to be expected we will hear soon of another smashing—but futile attempt of the Japs to try and "get at us" where we live.

Such is war, coupled with the element of chance.

And God is on our side.

— W W —

NO MORE AIR WARNING SERVICE!

The government has authorized the discontinuance of the nation's 7,500 air warning service posts as a move to release much needed man and woman power for more vital undertakings. As the Army put it: "we will have to take a chance".

Viewed in the light of cold reason, the risk we run is very moderate. The enemy, hearing of our abandoning of lookout service, except for skeleton staffs at filter centers, and spotters subject to call when alerts are sounded, may attempt to slip us a bomb or two from sub-based planes, but the damage cannot be too serious.

On the other hand: the army has developed delicate listening detvices all along our seacoasts, manned by experts, thus affording we civilians more technical warning than human ears could provide.

Meantime—hats off to hundreds of thousands of faithful men, women and young people who have made the manning of these watch-towers a "must" in their daily and nightly life for nearly two full years; not omitting bouquets to organizers, area supervisors and chief observers, all of whom have pinch hit on many a trick.

With dim-out regulations about to be lifted in inland and rural districts we aet home can give our attention to more productive and imperative undertakings, the prosecution of which will help to win the war on the home front.

The discontinuing of thousands of posts working on a 24 hour basis will afford a big relief to the overtaxed facilities of telephone companies which are now called upon to give more service than ever with equipment already scarce and help even scarcer.

— W W —

GAS RATIONS TO BE REDUCED

In a few days the value of California gas coupons, whether A, B or C are to be reduced from 4 gallons per stamp probably to 3 gallons. The reason for the cut is obvious and should not occason any "squawk" to people of understanding.

Last year our naval and military establishment used 25 percent of our national output of gasoline, oil and fuel oils. As our armed might grows and our fighting fronts spread oura naval and military consumption of these vital fluids increases. This year the fighting forces are usng 41 percent of our production. Next year they will use 52 percent, or more than half.

So there just isn't gasoline enough for everybody and the war comes first. Civilians have learned to restrict their private driving to the irreducible minimum; now they can reduce it some more!

At that we are lucky to have automobiles, with tires on them, still in running order!

— W. W. —

SHOE THRIFTINESS

The new shoe stamp No. 19 which becomes valid November 1 will have to last until May 1, six months instead of four for civilians as the armed forces are requiring so much leather for shoes and accoutrements.

To soften any possible hardship occasioned for civilians, (particularly women) Uncle Sam has removed the expiration date on shoe stamp No. 18, now good. It will not expire October 31 as formerly announced, but will be good until used.

Meantime, women who are unduly fussy about their footwear must learn to have their older shoes cobbled—as men have always done. Men like worn and comfortable shoes, and generally hang onto their footgear until they are really worn out. Women's shoes are more fragile, of course; still shoe stores everywhere are offering for sale unrationed shoes for household wear which are comfortable and cheap—though not smart; but constitute footwear nevertheless.

— W. W. —

WHISTLING BY THE GRAVEYARD

On Harvest Day in Berlin "Hare" Goebbels told the German people the Allied bombings of German cities were "utter failures." Aint dat swell? Hope we go on "utterly failing."

Then he contradicted himself by saying that "only the Fuehrer knows the tribulations suffered in the badly bombed sections". One supposes that the helpless people who have been bombed out of a score of German cities know more about this style of terror than Adolf, who is always safe in his million dollar bomb-proof at Berchstedgarten.

Then Goebbels tells his own people that "Germans who are frightened by the bombings will have their heads cut off."

Nice pipple!

— W. W. —

"STIMULATING" FOOD PRODUCTION

Washington at present is taking serious steps to "stimulate" food production.

Ye gods! All the farmers want is for Washington to assure them profitable prices for what they raise and the sky's the limit. Farmers like to make money like anyone else but they cant make money when the government hamstrings them with acreage allotments, parity payments, evernormal granaries and the rest of the new deal's peace-time foolishness.

During the last war the government "pegged" the price of wheat at $1.65 per bushel and the farmers were free to plant all they wanted to. It was a good price and the farmers planted lots of wheat.

Assure the farmer a good price for his product, relieve him of regulations, reports and red tape and the farmer wont need any other "stimulation".

Such a common sense procedure would not occur to the American government, new deal style, which feels itself obliged to tell everybody what to do when Washington itself does not know what to do.

Turn the farmer loose on his own, American style and he'll raise plenty of food!—W. W.

— W W —

THE COST OF WAR

"—we lost 27 bombers in the operation—" your radio newscaster tails off.

Let's see: a flying fortress costs a third of a million dollars: 27 lost in one night (not counting their precious crews) mean nine MILLION dollars fed to the god of war just in that one field of activity.

So we at home have to continue to buy war bonds and pay taxes to provide our government with money so our boys can go on and fight—and win—this war.

— W W —

"PARLOR PETS"?

Congressional opposition to the drafting of pre-Pearl Harbor fathers, in order to reduce the numbers of widows and half-orphans after the war is won, has turned up the astonishing fact that there are 193,000 odd single men and childless married men within the draft age now employed in government departments in Washington.

Of this number 116,000 odd have have been deferred, leaving an unaccounted 77,000 who have been neither drafted nor deferred.

?????

Can such things be? Yes such things are and Draft Director Hershey's face will be red when he appears before Congress to explain why 77,000 able bodied men of draft age—enough to make two whole divisions of soldiers—have been neither drafted or deferred

Speaking of "scraping the bottom of the manpower barrel" seems like some scraping should be done in Washington, "District of Confusion".

Sometimes Congress justifies its existence, after all!

— W W —

INEXCUSABLE BUNGLING!

The government has enormous stocks of butter in cold storage for the armed forces. So it ups the point value to 16 per pound to reduce civilian consumption of butter so the government can get even larger stocks of butter in cold storage for the military. This is new deal "planned economy." It does not make sense.

The government put such ruinously low ceilings on the prices of this fall's wine grapes that the growers and vintners are IGNORING the OPA's orders and are selling on the market through the usual channels at double the price ceiling. When government regulations dont make sense the public takes the law into its own hands. You cant arrest the half million people in California connected with wine grape growing, wine making and selling. The government is supposed to represent the people; a lot of our national government today does NOT represent the people: it represents college-professor theories and impractical ideaologies. (The new deal is suffering from a hang-over.)

The Holly Sugar Corporation is idle this year: meaning the 175,000 sacks of beet sugar it produced last year will not be produced this year. Why?

Because government agencies undertook to tell local sugar beet growers how much acreage they should plant for the 1943 crop. But the agencies completed their noble work three months too late for this season's planting so only about 40% of the growers took a chance and planted beets: not enough to keep the big Holly plant operating profitably.

If these inefficient and futile government agencies would just LAY OFF the farmers and NOT tell them when or what or how much to plant, but would establish a profitable price for the badly needed produce the farmers would roll up their sleeves and go to work.

"How long, O Lord, how long?"

— W W —

ONLY FOUR PAGES?

But you'd be surprised at the amount of news which is now packed into it—set the way we formerly set the type the contents of your paper today would have filled six pages.

The lines of type are set closer together now, allowing two more inches of news per column; the front page has been deepened three quarters of an inch and column one is now two inches deeper. The masthead has been cut down to one column giving an extra three inches on the editorial page. Pictures are omitted because of lack of space and spacing material between advertisements has been left out.

Ten point -30- dashes after stories have been dispensed with, using 4 point slugs instead, thus saving one sixth of an inch of space after each story. No filler material whatever is used and you now get a weekly newspaper packed solid with all the news we can get hold of.

The saving of our time in pressswork and folding amounts to many hours per week, and the elimination of the pages heretofore printed in San Francisco should not cause anybody a heartache.

Our objective is to "carry on" during very difficult conditions. The boss has to spend more than half his week, and frequently weekends, doing the commercial printing heretofore done by employees—of which now there "aint no more." So cheerio and a pip, pip! —W. W.

HEADS STATE WAR CHEST

Ralph T. Fisher, Oakland business leader, has been elected President of the California War Chest, assisting Community Chest and War Fund organizations throughout the State in planning October and November campaigns to raise their share in the National War Fund's total goal of $125,000,000. Agencies to be benefited, in addition to local community welfare, are USO, United Seamen's Service, War Prisoners' Aid, and 14 United Nations relief organizations.

CENTERVILLE LIONS CLUB HONORS PAST PRESIDENTS

CENTERVILLE — Past presidents were honored at the annual ladies night dinner of the Centerville Lions Club held last week at the P. G. & E. club house. Speaker of the evening was Sheriff H. P. Gleason.

Also on the program were vocal solos by Manuel Vierra, accompanied by Dwight Thornburg and numbers by the Washington Union High School orchestra conducted by Mabel Enos.

Past presidents attending were Jack Rees, Erle Hygelund, Joe Adams, Manuel "Chick" Santos, Judge Allen G. Norris, Loren Marriott, Dr. George Holeman and J. V. Goold.

Adams and John Santos were chefs, others on the arrangements committee being Bill Clark, Tony Petsche, R. A. Sparrowe, Allan Hirsch, Ed Vierra. Bob Moore, Tom Maloney and Loren Marriott, general chairman. Several Lions and their wives from Hayward were present.

Register advertisers appreciate your patronage.

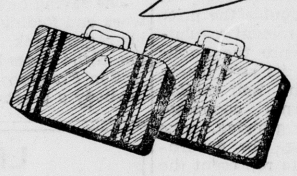
MORE DEER TAKEN

SAN FRANCISCO — As of September 28, a total of 9802 deer tags were turned in to the State Division of Fish and Game, according to J. S. Hunter, Chief of the Bureau of Game Conservation. Compared with tags from the same counties open last year, 714 more deer have been taken so far this season. Counties in the lead are Modoc, reporting 1082 deer taken; Tulare follows with 843, and Lassen next with 791.

EAT MORE SPUDS!

Oakland and other communities of the Bay Area will cooperate to step up potato consumption for the next few weeks to relieve a current and anticipated surplus. The Oakland Chamber of Commerce, as a member of the Bay Area Surplus Crop Marketing Committee, will urge the increased use of potatoes by restaurants and in homes to avoid food waste. The California potato crop this year is estimated by the California Crop Reporting Service of the State and Federal Departments of Agriculture as being 5,745,000 bushels larger than last year's harvest of 23 130,000 bushels.

We and the folks are staying close to home this year



Service men on furlough and other essential war travelers now have the "right of rail" with Southern Pacific. It's the railroad's job in wartime to carry such travelers wherever they need to go, and without delay. If you don't *need* to take the train, we hope you won't.

JUNIOR RED CROSS ARRANGES FLOWERS

The Junior Red Cross of the Niles Grammar School has assumed responsibility for flower arrangements at the Red Cross blood procurement center and fulfilled their duties for the first time at Wednesday's visit of the mobile unit.

Mrs. Jack Rothbone, who has recently returned to the faculty as a result of her husband's assignment to Camp Parks, will have charge of the Junior Red Cross project. The luncheon for staff members is served by the Ladies' Guild of the St. James Church at Centerville, under the chairmanship of Mrs. R. A. Sparrowe.

Plans for the celebration of the first anniversary of the procurement unit here will be made at a meeting at the home of Mrs. W. L. McWhirter, general chairman Wednesday night.

NILES REBEKAHS TO MEET OCTOBER 15

The next regular meeting of the Niles Rebekah lodge will be held Friday evening, October 15 at the Odd Fellows Hall in Niles, according to Beatrice Fournier, Noble Grand.

Ladies in charge of refreshments are Rose Fournier and Ivy Cull.

IRVINGTON P.-T. A.

IRVINGTON — Mr. Gus Robertson, and the teachers of the Irvington Elementary School were the guests of honor at the first P. T. A meeting held in the school auditorium on Thursday evening, October 7. The program for the year and the budget were presented at the meeting. The membership chairman, Mrs. Edward L. Rose and her assistant, Mrs. N. K. Turnbow presented the plans for the membership drive. Mrs. O. W. Ebright, the township school nurse and Mr. Claude B. Lamkin, the Boy Scout leader presented their plans for the year. The eighth grade mothers under the chairmanship of Mrs. Alfred Peixotto served the refreshments.

"Doesn't look rushed to me"

YOU CAN SEE when traffic jams a highway or people stand in the aisles of a train.

But you can't tell when Long Distance lines are crowded by looking at a telephone.

When they are, the operator will say—*"Please limit your call to 5 minutes. Others are waiting."*

That's a mighty good rule for these days. Helps you. Helps us. Helps the war.

WACS TO HAVE CALIFORNIA UNIT

A quota of thirty Northern California women must be met by October 15, in order to form a part of the first California WAC Company to train as a State unit at Fort Des Moines, according to an announcement issued by Captain Margaret N. Horn, WAC Recruiting Officer for the San Francisco district, with Headquarters at 444 Market Street.

"We hope to go well over our quota" declared Captain Horn, "and all women who are enlisted between now and October 15, will be among the first to wear the California insignia on their uniforms and to carry the California "Bear Flag."

The above quota is the first to be set under the All-States Recruiting Campaign which was launched in a proclamation issued by Governor Earl Warren on September 27 The campaign continues through December 7. Under this plan all California women will train together during this perod. Governor Warren, who has appointed local civilian committees to promote the drive in every California city, will present the California "Bear" Flag to the first WAC Company from California.

Mrs. Dan Marble is enjoying a brief vacation above Sacramento this week.
